

# 657177 Sizzix® Sizzlits® Decorative Strip Die – Paper Rosette by Tim Holtz

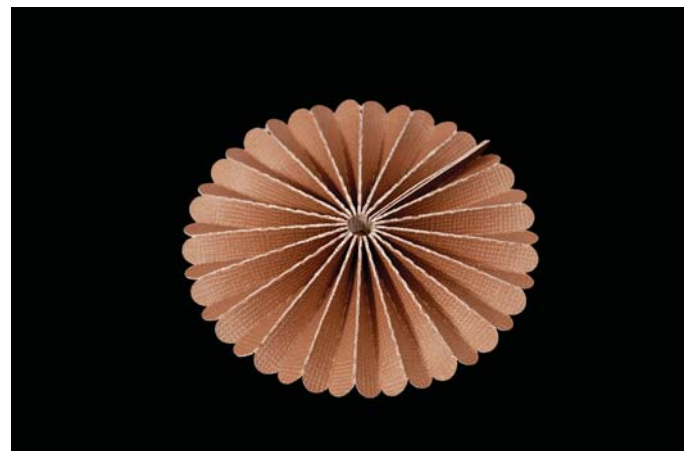

1. Die-cut pieces as shown. Center shape will need to be cut twice.

2. Accordion-fold the long scalloped piece as shown.

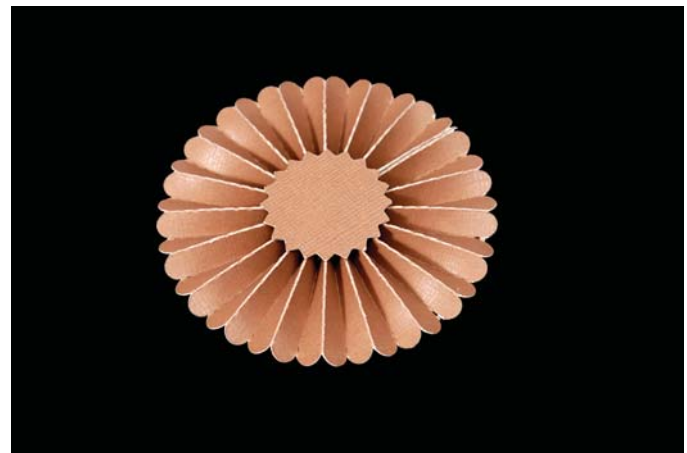

3. With a strong adhesive, connect the two ends of the scalloped piece together to form a cylinder.

4. On a flat surface, gather the bottom of the cylinder tight while spreading and pushing down on the top to create the Rosette.

5. With a strong adhesive, attach one of the center shapes to the bottom of the Rosette.

6. Flip the Rosette over and attach the second center piece.
