

1. Die-cut pieces out of chosen material.

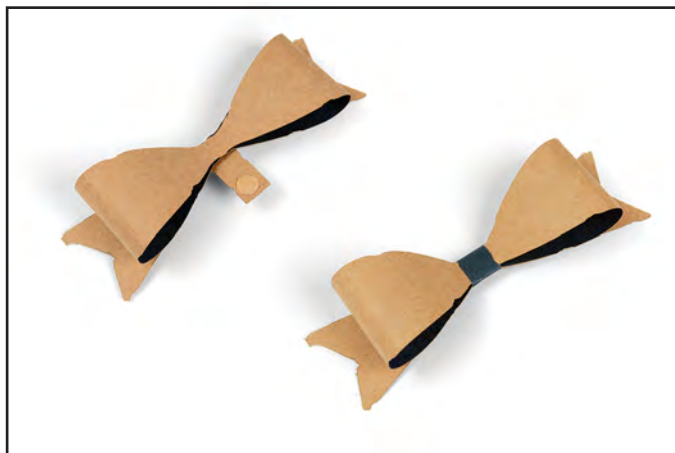

2. Use a pencil or dowel to form the soft curve on both sides of the Bow.

3. Fold Bow ends away from the center, as shown.

4. Apply adhesive to the center of the back side of the Bow. Adhere the folded ends together at the center of the Bow. Apply adhesive to the center wrap of the Bow, as shown.

5. Adhere the center wrap to the back side of the Bow and wrap it around, as shown.
