

663209 Sizzix® Bigz™ L Die - Pillow Box, Stocking by Lynda Kanase

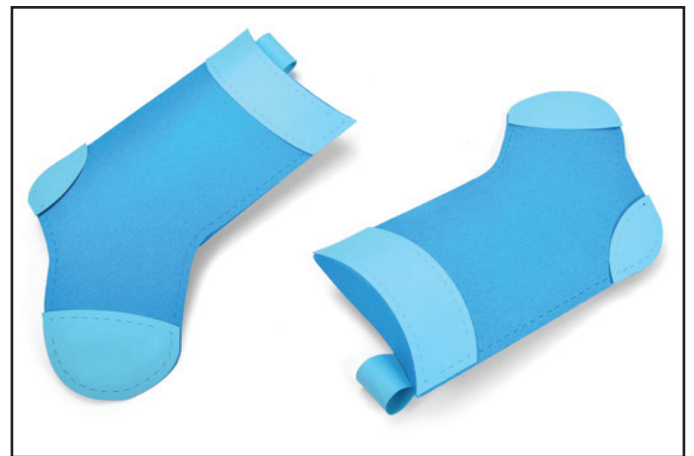

1. Die-cut out of desired material.

2. Form the hanger loop, and apply adhesive to the loop and the tabs of the box as shown. Embellish the top, heel and toe of the stocking while the box is still flat.

3. Fold the bottom tab under, and adhere it to the opposite side panel at the same time you adhere the long tab to the open edge of the opposite side panel. Adhere the hanger to the back of the box as shown.

4. Embellish the Stocking Pillow Box as desired.
